

DKLS Industries new office building in Sitiawan was ceremonially consecrated by Rev. Dr. Ong Hwai Teik, Bishop of Methodist Church in Malaysia. The consecration ceremony was attended by Board Members of DKLS Industries Bhd together with management staff, church leaders from Ipoh as well as Manjung District, local community leaders and members of DKLS Business Community.

According to the acknowledgement of several community leaders, the consecration ceremony was regarded as an unprecedented event ever held locally for a new office building in Sitiawan.. It was preceded by a dedication service as DKLS's acknowledgement of God's Glory.

On this auspicious occasion, Dato' Ding Pei Chai, Chairman of DKLS Board of Directors, presented the proprietor's testimony as below:

"This religious opening is a living demonstration that the economic ground can be holy ground. The fact that we draw near to God is an admission that worldly standards and practices of business are inadequate, and that Christian values are essential to act as business ethics that is pleasing to God. By calling upon God at such an auspicious occasion, we reject selfish materialism, unwholesome business rivalry, and unethical prosperity. We confess our human limitations and inadequacies and call upon Him from whom blessing flow, to bless, prosper and take Lordship of this business enterprise. We submit to God as stewards to meet the material issues of life honestly and in the fear of God."

On this auspicious occasion, please allow me to extend DKLS's warmest hospitality to all our distinguished guests who are present today.

I am deeply motivated by the proverb "Man proposes, God disposes". We, as human beings can make any plan we desire, but ultimately it is God that decides their success or failure.

Throughout my entire business experience that spans over 40 years, it appears to me that there is a constant intervention of an invisible hand which provides the proper pathways in our business endeavours. The pathway that shows the direction to avoid potential business risks and the pathway which leads us to success are working hand in glove towards sustaining DKLS's business performance and reputation.

In essence, divine interventions have impacted me personally and the business organisation I serve. Hence, such experiences must be valued. The consecration ceremony of **BizHub DKLS** is dedicated for such noble purpose to reciprocate the goodness showered upon DKLS.

Blessings,
Mr Ding Poi Bor

"But remember the Lord your God, for it is He who gives you the ability to produce wealth, and so confirms His Covenant, which He swore to your forefathers, as it is today"

Deuteronomy 8:18

Coming from a humble beginning, you can imagine the helpless, the burdened, the handicapped and the weak. DKLS was four in one, "pilgrim" through the barren plains, treading on the verge of undefined paths.

God counted our tears, our sweat and our prayers. Here the love of God will not let us go. From a distance, DKLS appeared to steer on borrowed rays in the dark of night. Today, we proudly conclude that God Himself is the light. The rays of blessing shine upon DKLS as she charts the compass, from alpha to where she is today.

We must say, every little step of the way, we experience God's hand preparing the foundation for us to build a symbol dedicated to His glory. Therefore, the birth of **BizHub DKLS** cannot be a coincidence but a milestone signifying God's faithfulness. To this, we give thanks for the generous spread of kindness and blessings on DKLS platter.

Today, **BizHub DKLS** is unfolding like flowers of the Spring. We have an awesome God!

Both Soo King and I spent a good 30 years in DKLS. We have seen the wrath of recession sweeping across the nation. Each time it happened, we experienced the uplifting by His grace. In those angelic moments, DKLS was able to soar above troubled waters while many were sinking. Year 1987 and 1998 stood up as a year of great testimony of God's grace and mercy. Our gladsome hearts praise the Lord!

We have every reason to be cheerful. Let our joys be known. It is in our prayer that **BizHub DKLS** continues to be the pride of the community, be it known to all men that it was first dedicated to the glory of God. Then shall her employees rise up in the dawn beyond morning glory and retire in the dusk, beyond the awe and beauty of crimson evening. Henceforth, we shall start the day beautifully and end the day magnificently.

To our colleagues : Be loyal, be courageous, be faithful. Our Lord is with you.
To our business associates : Let our transaction be true, be sincere and be expeditious. Our Lord is watching.
To our Almighty God : Be our guide. Be our refuge. Be our strength. Our citizens adore You.

All Glory to our God.

Blessings,
Sam & Soo King

We offer our congratulations to DKLS Industries Bhd for this joyous and auspicious occasion of the Dedication of their BizHub DKLS, which marks another significant milestone achievement in the life of this growing and expanding business enterprise.

It is fitting that today we gather to celebrate with thanksgiving to Almighty God in dedicating to the honour and glory of our Father in heaven, this corporation with its premises.

By this act of dedication, the proprietors and management of DKLS Industries Bhd express their ready dependence on God for His blessings. They are also recognising the unchanging and long tested truth declared by King Solomon, the most successful monarch who reigned over his nation bringing it to the zenith of prosperity.

He declared in Psalm 127 verses 1&2: Unless the LORD builds a house, the work of the builders is wasted. Unless the LORD protects a city, guarding it with sentries will do no good. ² It is useless for you to work so hard from early morning until late at night, anxiously working for food to eat; for God gives rest to his loved ones.

King Solomon, known legendarily as being the wisest of men, knew that the powers of finite humankind have its limitations. Of late the world has realised that the degree of danger in this planet has increased exponentially due to terrorism, pestilences, natural disasters, climatic change etc. Even the most well planned and guarded city be it in the West or the East - is not exempt from violence, viruses, earthquakes and the haze.

May God's blessings continue to be on this business enterprise to gain further success in its present and future undertakings, so that it can also be an asset to the community and the nation; being "a leader in business and a champion of CSR in ...achieving a realistic balance between profitability and contributions in supporting CSR initiatives".

May God's blessings rest on this centre of DKLS Industries Berhad, the owners, the management and the staff as we never forget relying on and conducting our affairs pleasingly to our Creator, on Whom we depend.

With best wishes.

Greetings!

My heartiest congratulations to DKLS on the successful completion of the business property called **BizHub DKLS**. I pray God's blessings on the dedication of the said property which will take place on 18 October, 2016 and I pray the property will serve its purpose well.

I believe that buildings, whether they are meant for worship services, residential use or even for business purposes, are to be built for the glory of God. Therefore, let us not only dedicate the physical building for the advancement of God's Kingdom but also everyone working here, that there will be honor and integrity in all they do and that they will find favor with God and all people.

Let me share this true story with you. For 32 years between 1920 and 1952 seven major expeditions tried to make it to the summit of Mt Everest. All expeditions failed. In 1953 Tenzing Norgay and Edmund Hillary accomplished what no other human being ever had. They stood on the summit of Mt Everest, the world's highest peak.

Could Tenzing and Edmund have made it alone? The answer is "No." Of the teamwork involved, Tenzing remarked: "You do not climb a mountain like Everest by trying to race ahead on your own, or by competing with your comrades. You do it slowly and carefully, by unselfish teamwork... for that is the mountain way." It is also the human way, the family way, the business way and the way for this nation. The call is to work together if we are to finish the work to the glory of God.

May God honour the work of your hands! I pray **BizHub DKLS** will be a blessing to the community.

Then I told them of the hand of my God which was good upon me;..... And they said, Let us rise up and build. So they strengthened their hands for this good work. Nehemiah 2:18

It is not often that pastors are invited to write a message in corporate souvenir books. It is with great joy and thanksgiving I bring this message of blessings and good tidings for the inauguration of **BizHub DKLS**.

The innate quality of peace, goodwill and cooperation is the corporate character which DKLS pursues, and these are Christian values and attributes that are pleasing to God. Peace, goodwill and orderliness are gifts of grace which reflect God's presence and favour. Cooperation is a calling to serve the common good of all in John Wesley's work and social ethics.

DKLS in its corporate character truly arose as a shining example and leader in the corporate scene, nationally and internationally, and we praise God for the opportunity to shine for Him. May DKLS continue to prosper in value, excellence and hard work; the distinctive principles of Methodist ethics; to be a smart partner both locally and internationally in nation building, for the betterment of community and society.

Lastly, our God is the Almighty Creator God who redeems and restores. DKLS' sustainable environment policy is close to the heart of the Father, and His redemptive and salvific plan for His creation. Humanity is given the role as steward in God's beautiful creation. It is my prayer that DKLS will continue to walk with God as it prospers in His grace and favour.

"The Lord bless you and keep you; the Lord make His face shine on you and be gracious to you; the Lord turn His face toward you and give you peace."

Blessings,

Our hearts rejoice with DKLS family on the occasion of the dedication of **BizHub DKLS** Sitiawan. We stand with them on their public declaration of their dependence on our God for leading and guidance, and blessing in their business venture.

Unless the LORD builds the house, its builders labor in vain. Unless the LORD watches over the city, the watchmen stand guard in vain
(Psalms 127 : 1)

Therefore it is our prayer that the **BizHub DKLS** will serve as Salt and Light to the community in Sitiawan, and in Malaysia as they faithfully submit to our Lord and Savior Jesus Christ. May they always be able to enjoy the fruit of their labor and protection in all their undertakings.

To God be all glory.
